# Motivation

Unit 2: Business Functions
**People in organisations: Motivation**

A revision lesson. Pupils run a car dealership in firms of four and revise motivation on their own deals. Seat each firm together. Each firm answers the topic tasks together.

# What pupils do

Every pupil buys and sells cars. In Firm decisions, each role has its own job.

## CEO

Staff · Sabotage from Round 2

## Finance

Capital & Loans · Investments

## Sales & Marketing

Marketing

## Operations

Seasonal stock

# Topic tasks

Each firm gets its own figures. The method is the same. Your Live screen shows each task and every firm's answer.

## 1 Piece rate faults

Round 1

You pay prep staff per car finished, not by the hour. Faults found at handover double.

**What best explains the rise in faults?**

- **A** Staff have too little to do
- **B** Staff now earn less than before
- **C** Staff want more fringe benefits
- **D** Pay now rewards speed over quality

**ANSWER**

**✓ Pay now rewards speed over quality**

**Why:** Paying per car rewards speed, so staff rush and quality falls.

## 2 Staff feel ignored

Round 1

A staff survey says pay is fine, but staff feel ignored.

**Which two changes should motivate most?**

- **A** Ask staff to help set targets
- **B** A 2% pay rise for all
- **C** Closer checks on their work
- **D** Let teams plan their own work
- **E** A bonus for every car sold

**ANSWER**

**✓ Ask staff to help set targets**
**✓ Let teams plan their own work**

**Why:** Feeling ignored is not about pay: involvement and trust tackle it.

## 3 Rank absence rate

Round 2

Three branches: staff days lost to absence, and days that could be worked.

**Order by absence rate, lowest first?**

- **A** 60 of 3,000 days
- **B** 90 of 1,500 days
- **C** 200 of 5,000 days

**ANSWER**

**1. 60 of 3,000 days**
**2. 200 of 5,000 days**
**3. 90 of 1,500 days**

**Why:** Absence rates 2%, 4%, 6%.

# Topic tasks

## 4 Piece-rate pay

Round 2

Prep staff are paid per car finished.

**Her pay this week?**

| | |
|---|---|
| Pay per car prepared | **£16** |
| Cars she prepared this week | **46 cars** |
| Extra per car above 30 cars | **£5** |

**ANSWER**

**£816**

46 × £16 + 16 × £5 = £816

**Why:** Piece rate pays for output, so staff work faster, sometimes at the cost of quality.

## 5 Pay or promotion

Round 3

Sales staff are leaving. Exit interviews say pay is fair, but there is no chance to progress.

**What should you offer, and why?**

**A** Training and a clear promotion path

**B** A higher basic salary

**ANSWER**

**✓ Training and a clear promotion path**

**Why:** Pay is not the problem; a chance to grow and progress meets the need staff named.

## 6 Raise output most

Round 3

A pay rise stopped the complaints, but output did not rise. Staff say the work has no challenge.

**Which change should raise output most?**

**A** Raise pay again

**B** Add a fringe benefit

**C** Give staff more responsibility

**D** Supervise staff more closely

**ANSWER**

**✓ Give staff more responsibility**

**Why:** Pay removed the complaints; challenge and responsibility raise effort.

# Final questions

Each pupil answers 6 final questions on motivation. They come from these 8 questions.

Then each pupil writes one short answer: “Evaluate piece rate pay for your workshop staff.”

1. A workshop manager wants technicians to feel their work matters. Under Herzberg, which is a motivator rather than a hygiene factor?
   ✔ **Recognition for good work**

2. Technicians complain about cold, badly lit bays. Herzberg would say that fixing them does what?
   ✔ **Removes dissatisfaction but does not motivate**

3. A dealer’s sales team has secure jobs and fair pay but feels no sense of belonging. Which level of Maslow’s hierarchy is unmet?
   ✔ **Social (love and belonging) needs**

4. Taylor’s scientific management would pay valeters per car cleaned. What is the main risk for the dealer?
   ✔ **Quality falls as staff rush to finish more cars**

5. A valeter is paid £9 per car plus a £120 weekly basic. In a week with 38 cars, what is the valeter’s pay?
   ✔ **£462**

6. Which is a non-financial method of motivating showroom staff?
   ✔ **Job enrichment**

7. Experienced technicians are allowed to diagnose and schedule their own jobs. Why can this raise motivation?
   ✔ **Autonomy and responsibility are motivators**

8. A dealer offers a £500 bonus to any salesperson who sells 12 cars in a month. Which type of method is this?
   ✔ **A financial method of motivation**
